

SMOKE RATED CURTAIN SYSTEMS

SmokeFighter® Model D150

Vertical Coiling Smoke Protection w/out Egress

This technology provides a compliant solution where the model building codes prescribe smoke-only separation and egress is not required. The assembly is fixed in place with side guides and bottom bars so smoke is handily contained when the building goes into an alarm condition.

Product Features

Fire & Smoke Rating

UL 1784 tested & listed without an artificial bottom seal

Code Compliance

Code Compliance Research Report
CCRR-0455

ASME A17.1 compliant vision panel
when required

Operation

Auto-Set® automatic resetting
Fail-Safe Design - automatic self-closing
mechanism does not require power to
self-close

Size

Unlimited widths and heights

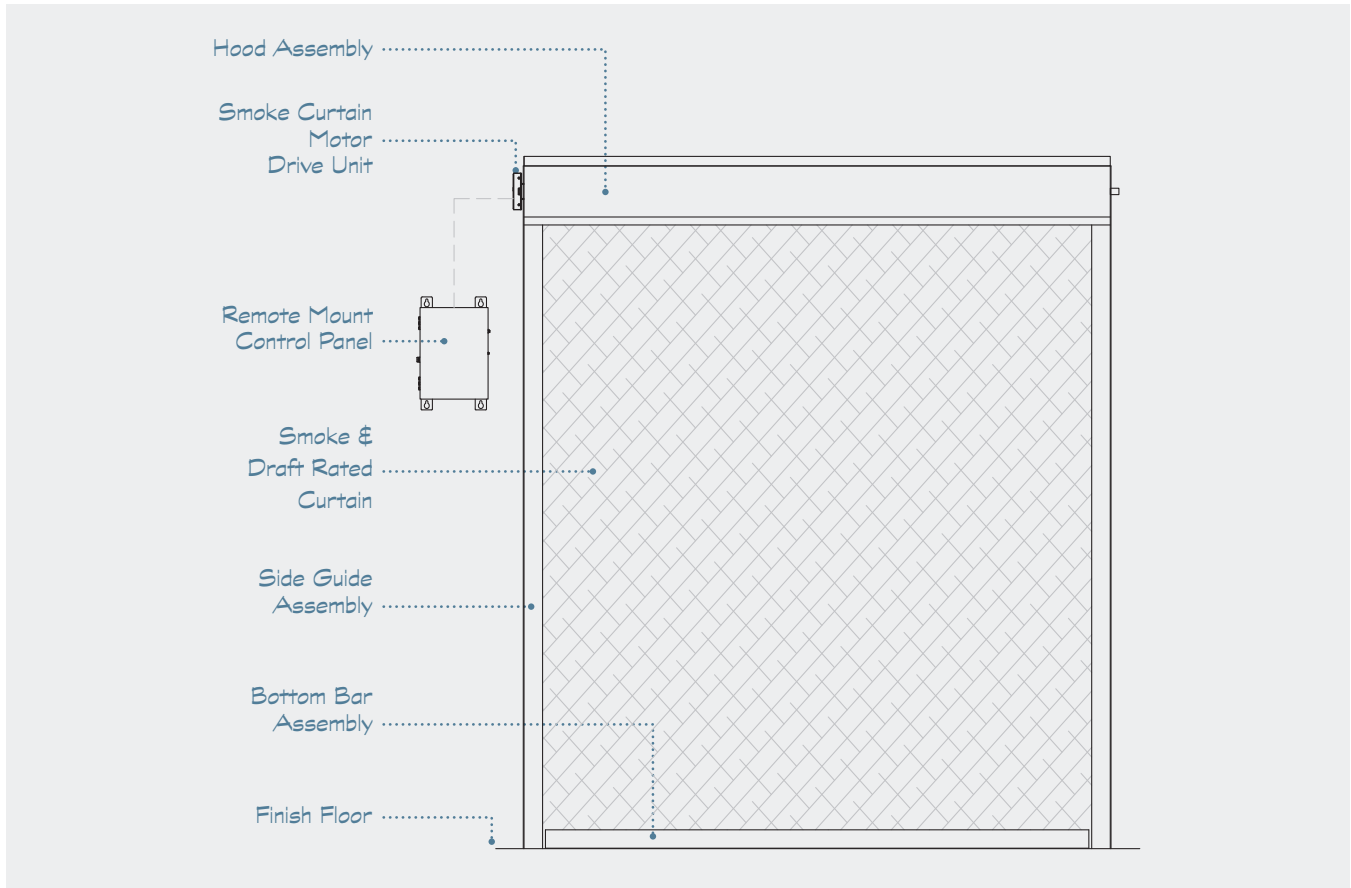

Finishes (metal components only)

McKEON Sterling Gray
Powder Coat of any color as selected
Stainless Steel – No. 4 Polish or
No. 8 Mirror

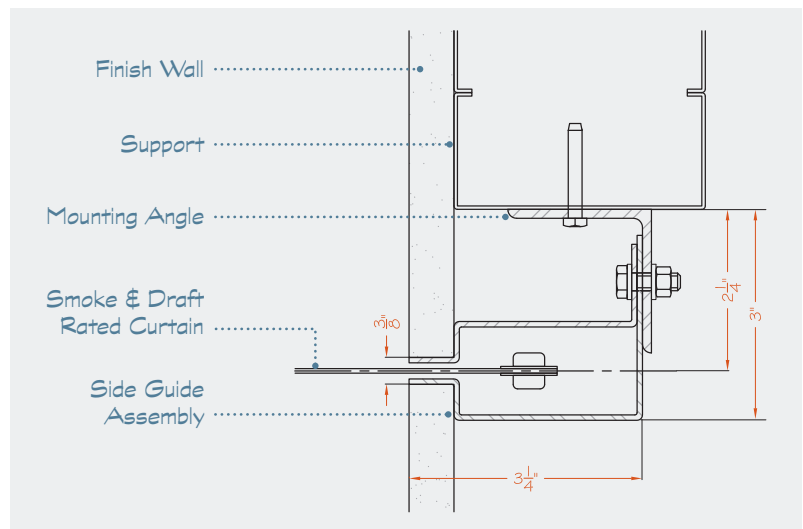

This technology is the subject of US Patent No. 10,145,174 and has additional patents pending.

D150

SMOKE RATED CURTAIN SYSTEMS

Side guides, with a nominal reveal, can be surface or jamb mounted making them virtually invisible in any application.
